JOB VACANCY ACCOUNT EXECUTIVE

The Victoria Television Group is looking for Account Executives to manage and grow transactional business as well focusing on prospecting and closing new business in the Victoria Texas Television market. Do you have the desire to work in a rewarding environment that encourages growth within a company that values every employee? If you have a passion for success, this may be the position for you.

- Here's your chance to break into the dynamic, faced-paced marketing business.
- If you have experience and success in sales, whether it be retail, insurance, automotive, equipment or memberships, we like to talk with you!
- We're on fire and need winners who want to have fun, build and sell proven marketing solutions, and make great money.
- You'll get strong management support, best-in-class training, plus a multitude of resources to help you succeed.
- We offer a great pay plan with a boatload of good benefits including paid vacation, medical, 401k...and no working weekends or holidays!
- Interested? Then let's get this party started. Apply at: opportunity@victoriatelevison.com

We ask for cooperation and assistance in our efforts to recruit, hire and promote qualified women and minorities. In this regard, if you know of individuals who might be interested in this position, we encourage you to refer them to us.

Proof of vaccination required.

The Victoria Television Group is an Equal Opportunity Employer.

The Victoria Television Group of Morgan Murphy Media has an opening for a high energy, highly skilled Chief Meteorologist. The ideal candidate is someone who knows the science but can tell a relatable weather story. Our next meteorologist will be an experienced journalist who will lead our weather coverage and deliver forecasts for television, digital, and social audiences. They will strive to keep our viewers and employees safe, convey appropriate tone, and stay cool under pressure. In all roles, creativity, flexibility, and an interest in digital and social media is a must.

Job Responsibilities:

- Prepare and deliver urgent, compelling weather forecasts and presentations that connect across all platforms.
- Aggressively handle severe weather coverage with a priority on clarity and urgency.
- Get our viewers ready for their day with accurate, compelling, and understandable weather forecasts.
- Simultaneously provide content on TV, for our radio partners, and on our digital platforms.
- Utilize all the technology and tools available to us, to tell an intriguing weather story
- Deploy into the field during weather events
- Summarize facts and clearly communicate content for broadcast and digital

Qualifications Requirements:

- In-depth knowledge of weather science and forecasting
- Proven on-air experience in handling breaking news and severe weather coverage
- Knowledge in interpretation and translation of high-powered radar data
- Proficient in using WSI or Baron Graphics and technology
- Strong organizational skills
- Ability to do live field reporting on weather and other topics.
- Knowledge of the Gulf Coast Hurricane Zone and how to report from that environment is preferred

Education:

- Minimum Bachelor's Degree in Meteorology or related field
- CBM and/or AMS seal preferred
- Military training and experience will be considered

Are you excited? So are we! Send your resume, salary requirements, and digital link to work samples to: opportunity@victoriatelevison.com
